## SIGNATURES

### Privacy Notice

Your personal data will be registered in a computer system called Schoolsoft, which follows the new EU rules on the collection of personal data (GDPR). We do this to receive financial support from the state, to report requested statistics from Statistics Sweden (SCB) and to certify that you are at student at our school to those who pay out study grants and other financial support. The information is also needed to issue certificates, to keep copies of certificates and to be able to contact relatives in the event of an accident. The principal of the school is responsible for the handling of all personal data. By signing this form, you confirm the information you have provided is accurate to the best of your knowledge and that you understand the information set out in this Privacy Notice.
